Notes:

- The Hartley Yarns
- Paratime Chronicles
- Terro-human Future History
- The McGuire Collaborations

(1) Genesis does not mention the Paratime Police nor the concept of paratemporal transposition but it does describe the attempted colonization of Terra by ancient Martians mentioned as the origin of First Level civilization in the Paratime yarns "Last Enemy" and "Time Crime," the only two Paratime yarns to mention specifically the Martian origin of First Level civilization.

(2) While "Crossroads of Destiny" does not mention the Paratime Police nor the concept of paratemporal transposition it is clearly a story about an interloper from a parallel timeline.

(3) Subsequentiv issued as *The Cosmic Computer*.

(4) Subsequentiv issued as *Fuzzv Sapiens*.
